

Saving **Lives** and **Protecting** Property

Now Hiring!

Argus Fire is one of the leading, privately owned fire protection and detection companies in the UK.

Following the growth of our Fire Detection and Electrical Department we are looking to recruit for the following position in our Stourbridge office:

- **Fire Alarm Project Engineer**

The candidate will need experience and knowledge of the fire alarm and detection industry. Additional knowledge and experience of the following systems would be an advantage:

Gas Suppression Installation Energy from Waste Projects

Power Generation Hazardous Area Installations

Preparation of Risk Assessments and Method Statements in addition to an understanding of Cost Control procedures

Interested candidates should send a CV and any additional information to:

Rachel Burford-Turner, Argus Fire Protection Company, Hendglade House, 46 New Road, Stourbridge, DY8 1PA or by email to r.burfordturner@argusfire.co.uk
