

## Now Hiring!

### Assistant Quantity Surveyor

Argus Fire is one of the leading, privately owned fire engineering companies in the UK.

We are a major employer, based in Stourbridge, West Midlands.

We have a vacancy for:

- **Assistant Quantity Surveyor**

The successful candidate will work alongside the Quantity Surveyor. The role will require undertaking traditional quantity surveying and commercial duties including cost reporting, payment applications/ valuations, final accounts and cost estimates, therefore the successful candidate will need to be fully IT literate.

Applicants must be flexible and able to travel within the UK. A full UK Driving licence would be advantageous.

We would prefer that the candidate has some experience in a similar role or relevant qualifications to support the role.

The applicant will need excellent communication skills and equally be able to work as part of a team as well as using their own initiative.

Applicants require a minimum of 5 GCSE's grade C or above, including English Language and Maths.

Please send your CV and any additional information to:
